

teri dhadkan hi jindagi ka hissa hai maera		Dilip Bhaiya	
SAARVI tu jindagi ka ek aham hissa hai mera			
teri mohaabbat aur meri fitrat mein fark itna hi hai		ankit	
tera attitude nahi jaata, mujhe jhukna nahi aata		ruchi	
jeene ka sahara hoti hai choti choti khusiyan		anju bhabhi	
khwaise to yuhi har roj badalti rahti hai			
khush hu apni choti si kaamyabi par			
kadmo ki raftar dhimi jarur hai		anup	
par jitni hai apne jamir ke saath hai			
maut aur mohabbat to sirf naam se badnaam hai		aman	
asli drd to internet failure deta hai			
sahare dhundhne ki aadat nahi hamari		mahavir jijaaji	
hum akele puri mehfil ke barabar hai			
ek din mujhse lipat kar samay bhi royega		sandip	
aur kahega			
tu to banda sahi tha , main hi kharab chal raha tha			
muskan ka koi mol nahi hota			
kuch rishto ka koi tol nahi hota			
apne to mil jaate hai har raste par			
lekin har koi aapki ntarah anmol nahi hota		neeru	

pagal nahi hu main jo teri har baat maanta hu	kushal ji
bas teri khushi se accha aur kuch lagta hi nahi hai	
kuch logo k pyar kabhi nahi badalta	parents
aur is duniya mein unhe ma baap kehte hai	
aisa koi jindagi mein aaye	anisha
jiski mummy mujhse kaam na karwaye	
kaha milta hai koi samajhne wala	ayush
sab samjha kar chale jaate hai	
haath thame rakhna duniya mein bheed bhari hai	
kho na jau kahi main ye jimmedari tumhari hai	
juth lalach aur fareb se pare hai	
khuda ka shukra hai , hum aaj sab yaha khade hai
